

March 25, 2009

The Honorable Jim Dunnam
Chairman, House Select Committee
Federal Economic Stabilization Funding
Room 4S.2, Capitol Building
Austin, TX 78701

Dear Representative Dunnam:

The City of Rosenberg supports the allocation of funds to local governments from the American Recovery and Reinvestment Act to support infrastructure projects which include:

- Rehabilitation of aging and deteriorated waste water treatment plants
- Major improvements to drainage
- Elimination of sanitary sewer, inflow and infiltration, and sewer overflows
- Replacement of deteriorated and undersized water distribution lines
- Reconstruction of aging and deteriorated roads and sidewalks

On behalf of the City of Rosenberg, I am grateful for the consideration by the House Select Committee to support the funding of infrastructure projects at the local level.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe M. Gurecky".

Joe M. Gurecky
Mayor
