MEMORANDUM

TO: House of Representatives

FROM: Chairman Jim Dunnam

DATE: March 30, 2009

SUBJECT: **Stimulus Advisory**

I want to make you aware of a comprehensive chart the Comptroller's office has made available, listing possible grants and funding opportunities available through the American Recovery and Reinvestment Act (ARRA). The chart indicates the amount of funding Texas is eligible to receive, as well as contact information and specific deadlines for certain programs. Competitive grants, formula grants, and loan programs are offered through some of the programs listed.

The chart can be found on the Comptroller's website:
